

## A Thanksgiving Message

*By Doug White*

It is already November! Around this time of year I like to self-reflect, and with Thanksgiving so close, I have been reflecting on the things I'm most thankful for.

I am thankful for every single person who works hard to make **HSGW Insurance Services** a success every day. From the agency team to our vendors, and each of our loyal customers, new and existing. I am especially thankful for my loving family.

*"Showing gratitude is one of the simplest, yet most powerful things humans can do for each other."*

Randy Pausch, American Professor

This Thanksgiving I encourage you not only to reflect on the things and people you are most thankful for, but to also show (express) your gratitude.

Sincerely,

Doug
