

Our January Message for 2020

By Ryan Garwitz

Happy New Year! We hope you had a wonderful holiday break with your family and friends and are excited about the new year ahead of you. At the agency, we love the start of a new year because it allows us to reflect on personal and professional goals. Here at the office we are refreshed and brimming with new ideas to help us grow as an agency and make our customer experience better than ever. Here are a few of the agency's resolutions for 2020:

Take time to enjoy the wonders around us; We will roll out an HSGW Mobile App to give our customers 24/7 access; Send and receive texts if you wish.

We look forward to working with you in the New Year.

As always, thank you for being a loyal customer of HSGW Insurance Services!

Cheers to 2020 and beyond!

Join Our Referral Program

We take pride in providing top tier service and competitive rates to our customers and we want to spread the wealth to your family and friends. Join our referral program today.

How can you participate?

It's easy, tell your family and friends to call our office for a quote and mention your name when asked who referred them, from there we will do the rest. If we write a policy for them, we will send you a gift card to a local store or restaurant as a **Thank You!**
